COMPANY PROFILE

Established in 2017 in Fresno, TX, Trademark Logistics LLC is dedicated to providing top-notch logistics and transportation solutions. Our mission is to facilitate the efficient delivery of critical munitions, supplies, and equipment to military forces. We are committed to supporting U.S. military readiness through reliable, secure, and timely logistics services. With a focus on excellence, we aim to be a trusted partner in military operations.

CORE COMPETENCIES

Our company offers a wide range of logistics and transportation services designed to meet the needs of military operations, with a focus on secure, efficient, and compliant delivery solutions.

- **Comprehensive Transportation Solutions:** Expertise in managing ground, air, and sea transportation for equipment, supplies, and personnel. We ensure that assets are delivered securely and on time.
- **Supply Chain Management:** Robust systems for managing complex supply chains, including inventory management, storage, and transportation, to ensure seamless operations from point of origin to final destination.
- **Warehouse and Distribution Capabilities:** Advanced facilities for storing and managing military assets, equipped with cutting-edge tracking technology for efficient inventory control.
- **Specialized Transport of Hazardous Materials:** Experienced in handling hazardous and sensitive materials in compliance with all relevant safety and regulatory standards, ensuring safe and secure transport.
- **Expeditionary Logistics:** Rapid deployment capabilities for setting up temporary or permanent logistical support in challenging environments, including remote or hostile locations.
- **Compliance with Military and Government Standards:** Fully compliant with International Traffic in Arms Regulations (ITAR), Defense Federal Acquisition Regulation Supplement (DFARS), and other DoD standards, ensuring secure and legally compliant operations.

PAYMENT OPTIONS

Flexible Payment Solutions: At Trademark Logistics LLC we understand the importance of convenience and efficiency in business transactions. We accept credit card payments, providing our clients with a secure and straightforward method for settling invoices. This flexibility ensures a smooth procurement process, allowing our partners to focus on mission success without financial hurdles.

DIFFERENTIATORS

- 20+ years in logistics for commercial and government sectors.
- Advanced tech for real-time tracking and optimized supply chains.
- Scalable solutions for military logistics needs.
- Strict safety and security for sensitive assets.
- SAM.gov registered and contract-ready.
